**Sub: MPC Online Training Program on Employability Enhancement & Youth Livelihood Programme at your Institute.**

Greetings!

We are pleased to introduce the Naandi Foundation's Mahindra Pride Classroom – Employability Enhancement Program. This is a unique CSR initiative **of the Mahindra group of companies**, as part of their mission to skill and make employable the young men and women across the country

The aim of this program is to train, skill and help place the final year students of your institute **at absolutely no cost to you or the student.**

Please find below a brief on the project.

Naandi set up its first Mahindra Pride School (MPS) in early 2007, in support of the Government mandate for affirmative action, to empower youth from socially disadvantaged sections of society by providing livelihood training, to enable them to gain employment based on their skills.

MPS has several modules that help in enhancing the students' personality, general awareness, grooming and communication skills in English, Life skills and knowledge of computer applications. The life skills component of the training module completely transforms the students into confident, determined, goal-oriented youth; a personality shift essential for them to pursue successful careers in the sectors of their choice.

In a bid to consistently improve and reach out to a larger audience Naandi Foundation now strives to forge new tie-ups with Universities, Colleges, ITI's and other institutions as part of our Off-Campus project. Till 2019-20 we have completed employability skills training for almost 287417 students in 18

states

  
Principal  
Sarvankash Shikshanshasthra  
Mahavidyalaya  
Chembur, Mumbai 400 071.

MPC has always believed in a progressive approach. Hence, taking into account the present spread of pandemic all over the country, going forward it would be really difficult to conduct classroom sessions for the students. **So, MPC is now venturing into Online Training sessions.**

We would like to implement our training in your institution based on the following terms and conditions: -

- a.) We intend to train the students enrolled in your institute, who are interested in taking up jobs. We will be sharing a google form which will have columns to be filled with student details. The filled google form should be submitted to us one week prior to the scheduled date of the Training. All the students in the google form will be registered for our Online Sessions. A WhatsApp group with all these students will be formed along with the concerned College authorities and our Team members. This will help us communicate all the details related to Online sessions with the students directly.
- b.) This will be an 18 hrs program and will run for 7 days @ 1.5 or 2hours per day. The Mock Interview sessions will be conducted separately with each student at the end of the month. Details of which will be communicated to the College in advance. You will assign a coordinator for this project who will engage with the coordinator of Naandi.
- c.) The batch size can vary between 80 -100students depending on the internet connectivity of each student as they all are at home presently.
- d.) The timings of the session can be mutually finalised between MPC and College SPOC.
- e.) The attendance and assessments of the students will be taken care by MPC SPOC.
- f.) You will have to share the student and placement data with us to quantify impact and we will be happy to introduce you to new employers.

#### Commercials:

**As mentioned, Naandi Foundation shall conduct the training and placement assistance entirely free of charge as part of CSR from the Mahindra & Mahindra Group through their Mahindra Pride Schools & Classrooms**

We sincerely hope that our Online program will go a long way in contributing to the skilling target of India and we look forward to an early response and a long association with you.

Looking forward for a continuous support from all of you in our new venture of Online Training program.

Respected Sir,

Greetings from Team Responsible Netism!

Thank you for giving us an opportunity to share our vision with you.

Ahaan Foundation's initiative, the movement "**RESPONSIBLE NETISM**" is a non-profit committed to the cause of child online protection and safety within the state; the initiative is aimed at making educational institutions safe online. We have successfully sensitized over 10 lac students, teachers and parents since 2012.

With reference to our call, I am sending you an overview of the CYBER SAKHI PROGRAMME, which is especially initiated for Female College students.

We look forward to making your institution and students; digitally smart, cyber safe, and cyber resilient.

Please feel free to write back to me or call me @7208131798 for any further information you may require.

Looking forward to associating with your College.
