Prin. Dr. Chakradeo introducing Shri Rajesh Lokhande from Agastya Foundation

Shri Rajesh Lokhande from Agastya Foundation interacting with the student teachers.

In his interaction with the student teachers, Shri Rajesh Lokhande shared the online resources the foundation has created for the student teachers and how to access them. He said, "These quality resources created by the foundation is meant to be shared with the teaching community and student teachers. They should acquaint themselves with the material and use it as and when possible." This material will also enable student teachers to avoid unnecessary duplication of resources and be innovative by creating something new.
